

M69 P2 2Relay Output Harness Design

Last Changed: 03/11/2025

Products that can use this harness
Mercury3

NB! The relay base is wired for this relay pattern only. Do not use any other relay pattern it will damage the product.

Note! Use fully insulated Lugs or use a Relay Holder

Note! Fuse holder is not installed due to many different lengths required. Install it as close to the battery as possible.
